

CLOCHE

by Rune Krøjgaard & Knut Bendik Humlevik

The Cloche series is a family of pendant lamps made of turned aluminium with a brushed brass treatment on the inside. This elegant pendant lamp is suspended with a steel wire and has a fabric-sheathed cable.

The Cloche series is inspired by the French hat from the early 1900s known by the same name. The open design helps to spread an evenly light, creating a gentle atmosphere with deep shades and reflections from the brass. The Cloche series is a beautiful piece of minimalism.
