**COLLECTION:** Modern Artisan Upholstery

**DIMENSIONS:** 27.5W x 32.5D x 31H

Thick and thin design elements contrast to create a sublimely comfortable chair that defies gravity. Like the suede elbow patches of a classic tweed jacket, the ribbon-like metal arms are adorned with handsome wood patches. The perfect little detail that adds depth of character. In a soft, textural dove grey chenille fabric. A brilliantly witty addition to the family room. Make certain that you have room for two of these and float them in your setting to show off the back detail.

**CONSTRUCTION:** Blendown supreme cushion. | Tight seat and back.

**FINISH:**

Cordovan

Bronze Metal

**FABRIC:**
